

REMARKS

Applicants would like to thank the Examiner for the telephonic interview with Applicants representative on July 12, 2005 in which the Examiner clarified that the previous amendment had been entered and that the case would be allowable if withdrawn claims 1-8 and 25-28 are cancelled.

Claims 1-30 were originally pending in the Application. In a Preliminary Amendment and Response to Restriction Requirement earlier filed on June 12, 2003, Applicants elected with traverse to pursue prosecution of claims within the Group II identified by the Examiner and claims 1-8 and 25-28 were withdrawn from consideration. By an amendment filed June 14, 2005, claims 9 and 17-24 were cancelled; claims 10 -16 were amended to depend from allowable claim 29 and claims 14 and 15 were amended to clarify that the system characteristic limiting the file object length is the second file identifier. Claims 29 and 30 were allowed.

This Amendment is filed in response to the Advisory Action mailed on July 6, 2005. In this Amendment claims 1-8 and 25-28 are herein cancelled. Applicants submit that all pending claims are allowable and request early favorable response by the Examiner.

If, in the Examiner's opinion, a telephonic interview would expedite the favorable prosecution of the present application, the undersigned attorney would welcome the opportunity to discuss any outstanding issues, and to help place the application in condition for allowance.

Very truly yours,
